This song (A.K.A. Yellow Lemon Tree) has a comical sentiment and was a chart-topping tune in Continental Europe. It was originally recorded by “Fools Garden”, a German group – founded in 1991 by lead guitarist Volker Hinkel and vocalist Peter Freudenthaler. The song tells of “un-required” love and the “bitter” consequences...

A lot of effort was put into retaining the original song's structure. However, it was necessary to “speed up” the tempo in order to make the Square Dance version, which resulted in a slightly different “feel” – as you will hear when you listen to it! Almost everything from the original song is there – somewhere – and the song has a unique quality that makes it a little “different”. Perhaps more of a gimmick song than a straight piece of music, it does have a place in anyone's collection – as a “fun” tune!

### Additional Lyrics:

I'm sitting here in the boring room  
It's just another rainy Sunday afternoon  
I'm wasting my time, I got nothing to do  
I'm hanging around, I'm waiting for you  
But nothing ever happens and I wonder

I'm driving around in my car  
I'm driving too fast, I'm driving too far  
I'd like to change my point of view  
I feel so lonely, I'm waiting for you  
But nothing ever happens and I wonder

I wonder how, I wonder why  
Yesterday you told me 'bout the blue blue sky  
And all that I can see is just a yellow lemon-tree  
I'm turning my head up and down  
I'm turning turning turning turning turning around  
And all that I can see is just another lemon-tree

I'm sitting here, I miss the power  
I'd like to go out taking a shower  
But there's a heavy cloud inside my head  
I feel so tired, Put myself into bed  
While nothing ever happens and I wonder

I'm steppin' around in the desert of joy  
Baby anyhow I'll get another toy  
And everything will happen and you  
wonder
