George Strait is an American country music singer, actor, and music producer; some refer to him as a living legend and the "King of Country". He is known for his unique style of western swing music, bar-room ballads, honky-tonk style, and fresh yet traditional country music. George holds the world record for more number-one hit singles than any other artist in the history of music on any chart or in any genre, having recorded 59 number-one hit singles as of 2012!

This is a Ballad and was originally featured on George Strait's 2003 Album "Honkytonkville". It is a simple love song but has a powerful feel to it and we tried to preserve this feel by using Mike Schrimpf (on Harmonica) to add the "haunting" sound that can only be created by that instrument; the result was a slow and very smooth recording, that would sit well in any programme, where you wanted to "take the pace down" to a gentle level. Another tune that is popular with the Dancers and is also easy to Call!

### **Additional Lyrics:**

You came into my life, like an answer to a prayer  
Like a star that falls from the sky, right out of thin air  
Some might say it's a miracle, or a dream come true  
But from that day I always knew

Heaven is missing an angel - That's the only thing that it can be  
Heaven is missing an angel - 'Cause you're right here with me

No one else in the world, has touched me like you do  
It's super natural, girl, the way I feel when I'm with you  
I'm in paradise, whenever you're around  
Then when I look in your eyes there's no doubt

I'm in paradise whenever you're around  
Then when I look in your eyes there's no doubt

Heaven is missing an angel - That's the only thing that it can be  
Heaven is missing an angel - 'Cause you're right here with me  
Right here with me  
You're right here

### **Where, When and Who produced the music:**

This was part of the fourteenth group of releases that were recorded in Nashville, during March 2011. A total of fifteen songs were recorded during this session, which was the ninth to be arranged and produced by Paul Bristow, with the help and assistance of his younger daughter - Cherish.

As in previous years, the music features the top musicians in Nashville: Gregg Galbraith – as band leader playing all Lead Guitars, Doug Jernigan on Steel and Dobro, Roger Morris on Piano and Keyboards, Fiddle by Rob Hojacobs, David Smith on Bass Guitar, Bruce Watkins playing Rhythm Guitar and Banjo, Mike Schrimpf on Harmonica and Jerry Kroon on Drums and Percussion.

As always Kevin McManus was the engineer.

### **Sting Productions Ambassador Club:**

This was the first session to be underwritten by the members of the Sting Productions Ambassador Club, a collected group of Callers who worked together to choose the tunes and who contributed, financially, towards the costs of producing and distributing the music.
