Original artist: Brad Paisley

Brad Paisley is an American singer-songwriter and musician, he was the 2008 CMA and ACM Male Vocalist of the Year winner and won the Entertainer of the Year award at the 44th annual CMA Awards in 2010. He has recorded seven studio albums and a Christmas compilation on the Arista Nashville label and has charted 25 singles on the U.S. Billboard Hot Country Songs chart, 16 of which have reached No. 1. This song is from his 2007 Album "5th Gear".

The song is a "reflection" on the situation where the girl in the singer's life is looking to him - to change his ways to please her - and his response is to say that he doesn't have to be with her to be in love with her... The intention on this recording was to retain the original style - as far as possible - it is a really beautiful piece of music that has transferred very effectively into the Square Dance format; a softer song that would work quite well in the "middle-of-the-evening" spot on any Caller's programme!

Additional Lyrics:

You really left your mark on this old house and this old heart
I see you everywhere and when I close my eyes you're still there

And I know you want me to move on start living a new life start writing a new song
Don't worry, I ain't going to ask you to come back and love me Baby you don't have to
Cause I can be in love with you, without you

It's not that hard at all it's like you're out of town just forgot to call
Just because you walked away doesn't mean my feelings have to change

Now I know You want me to move on Stop living an old life Stop singing an old song
Don't worry, I ain't going to ask you To come back and love me Baby you don't have to
Cause I can be in love with you, without you

Oh and If you're gone for good I hope that you go far
Cause how I fell about you Don't matter where you are

Yeah... and I know You want me to move on Start living a new life
Stop singing an old song But I can be in love with you No matter where you go
No matter what you do I can be in love with you, without you

Where, When and Who produced the music:

This was part of the fourteenth group of releases that were recorded in Nashville, during March 2011. A total of fifteen songs were recorded during this session, which was the ninth to be arranged and produced by Paul Bristow, with the help and assistance of his younger daughter - Cherish.

As in previous years, the music features the top musicians in Nashville: Gregg Galbraith – as band leader playing all Lead Guitars, Doug Jernigan on Steel and Dobro, Roger Morris on Piano and Keyboards, Fiddle by Rob Hojacos, David Smith on Bass Guitar, Bruce Watkins playing Rhythm Guitar and Banjo and Jerry Kroon on Drums.

As always Kevin McManus was the studio engineer.

Sting Productions Ambassador Club:

This was the first session to be underwritten by the members of the Sting Productions Ambassador Club, a collected group of Callers who worked together to choose the tunes and who contributed, financially, towards the costs of producing and distributing the music.
